Sir:

The undersigned hereby requests reconsideration of the Decision on Renewed Petition Under 37 C.F.R. §1.47(a), dated June 26, 2001.

In the noted Decision it is stated that the applicants' Renewed Petition Under 37 C.F.R. §1.47(a), filed April 4, 2001, cannot be granted because the executed Declaration filed 3 April 2001 (executed by joint inventor Klepsch) was improper insofar as the name of joint inventor "Saroff Sauer" did not match the name set forth in the international application (Sarolf Sauer).

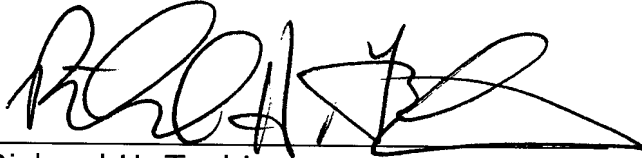

In reply, the undersigned herewith submits an executed substitute declaration executed by joint inventor Christian Klepsch on behalf of himself and joint inventor Sarolf Sauer.

Based on this submission, it is now requested that the present application be accepted for national stage processing without the signature of joint inventor Sarolf Sauer.

The undersigned also submits verified translations of the relevant portions of the documents recorded at Reel 10479, Frame 001 and Reel 10478, Frame 992 to complete the chain of title to Starshine Glastechnologie GmbH. As such, the Revocation of Power of Attorney/ Appointment of New Power of Attorney, filed March 20, 2001, should be entered.

Respectfully submitted,

DYKEMA GOSSETT PLLC
